

Technip to host a live Technology Webcast on July 1, 2016

June 23, 2016

Technip will host a live Technology Webcast on Technip's leading technologies and innovations to address Oil & Gas market challenges on Friday, July 1, 2016 at 2:00pm Paris time (1:00pm London time, 8:00am New York time).

For more than an hour our expert Laurent Decoret (Senior Vice President Innovation & Technology), will present live Technip's outstanding technologies and answer questions from the investment community.

To register and participate in the video webcast, please [click here](#).

A replay and presentation will be available on Technip's IR website <http://investors-en.technip.com/>.
