

Technip awarded contract for an oil recovery trial project in Indonesia

August 18, 2009

Paris, August 18, 2009

Technip has been awarded by PT. Chevron Pacific Indonesia a lump sum services contract for the Minas field located in Sumatra, Indonesia.

The contract covers detail engineering, project management, procurement assistance and construction management for water treatment and cooling facilities, polymer and surfactant mixing plant including chemical injection packages and production facilities.

It will be executed by Technip's operating center in Jakarta, Indonesia and is scheduled to be completed in the second quarter of 2013.
