MINUTES OF THE ANNUAL GENERAL MEETING OF SHAREHOLDERS

5 May 2022

Minutes of the annual general meeting of shareholders of Technip Energies N.V. (the "**Company**"), held on 5 May 2022 at 10:00 (CET) at Hilton Amsterdam Airport Schiphol, Schiphol Boulevard 701, 1118 BN, Schiphol, the Netherlands.

1 OPENING

Mr. Joseph Rinaldi, chairman of the Company's board of directors (the "**Board**") and chairman of the meeting (the "**Chairman**") opens the meeting at 10:00 (CET). First, the Chairman introduces the members of the Board who are physically present: Joseph Rinaldi, Marie-Ange Debon, Alison Goligher, Pascal Colombani, Simon Evers and Arnaud Pieton as well as the other members of the executive committee who are present: Bruno Vibert, Christophe Bêlorgeot and Michael McGuinty who is appointed secretary of the meeting. Also in attendance are Colette Cohen and Francesco Venturini, who are both nominated for appointment as non-executive director at this meeting. Furthermore, Edouard Demarcq is physically present and Jeroen van Hoof is attending through video on behalf of the Company's external auditor PriceWaterhouseCoopers.

Mr. McGuinty makes a few formal statements and confirms that all legal requirements for the meeting have been satisfied so that the annual general meeting has the capacity to adopt the resolutions as per the agenda that has been set for the meeting.

Mr. McGuinty informs the meeting of the issued share capital of the Company and the amount of ordinary shares with voting rights. On April 7, 2022, the record date for the meeting, the total issued share capital of the Company amounted to EUR 1,798,274.59, consisting of 179,827,459 ordinary shares. As of the record date, there were 175,377,303 ordinary shares with voting rights. Afterwards, Mr. McGuinty states the number of shares represented at the meeting, according to the attendance list. The holders of 98,966,436 ordinary shares are present or represented at the annual general meeting, who in total may cast 98,966,436 votes. Mr. McGuinty then explains how the attendees can raise questions during the meeting.

The Chairman thanks Mr. McGuinty. The Chairman elaborates on the strategy of the Company and highlights the development of the ESG roadmap. The ESG roadmap articulates the Company's foundational values and sets out actions and measurable targets designed to embed those values in the Company's everyday business operations. The Chairman then turns to the work of the Board's committees. The Audit Committee has reviewed many financial and operational topics in 2021 and its oversight role has been particularly important given that this was the Company's first

year as a standalone company. The ESG Committee has done important work. In addition to the design and rollout of the ESG roadmap, the ESG Committee has had oversight responsibility for compliance with the sanctions against Russia. The Compensation Committee's work in 2021 was primarily directed at reviewing executive and non-executive directors' compensation and making recommendations to the Board. The Chairman notes that the Compensation Committee and the Board approved a number of changes to director compensation in 2022. For the executive directors, these changes included modifying the short term incentive structure by adding ESG benchmarks. For the non-executive directors the award of restricted stock units has been eliminated. As a consequence, henceforth non-executive directors will only receive cash compensation, resulting in a substantial reduction in the total annual compensation of the non-executive directors.

Subsequently, the Chairman explains how recent developments have impacted the Company. The Company has suspended pursuing future business opportunities in Russia and has been fully complying with all applicable sanctions. The Chairman concludes the agenda item 1 and hands the floor to Arnaud Pieton, the CEO, for agenda item 2.

2 PRESENTATION BY CEO ARNAUD PIETON

Mr. Pieton thanks the Chairman and opens agenda item 2. He says that the Company has had a very strong first year marked by commercial successes which allows the Company to propose a dividend. In terms of the shareholder structure, 2021 has been a busy year, with HAL Investments and BPI now holding over 20% of the Company and TechnipFMC no longer being a shareholder. Mr. Pieton also mentions several key operational highlights of 2021 and continues with the financial framework for 2022 in which full visibility was given on what should have been the contribution of the Arctic LNG 2 Project in Russia. Next Mr. Pieton explains the ambitious ESG roadmap and highlights the key pillars of the culture and identity of the Company.

Then Mr. Pieton addresses the situation of the war in Ukraine which has triggered a series of EU sanctions against Russia. Mr. Pieton further elaborates on the market outlook in the future and explains that the Company has invested heavily in energy transition. Afterwards, Mr. Pieton discusses LNG before ending his presentation and hands the floor back to the Chairman.

The Chairman thanks Mr. Pieton and opens the floor for questions. No questions were asked. The Chairman then concludes agenda item 2.
